## Profile

- I am a dedicated individual with a solid foundation in HTML and CSS with a passion about web app development. I am determined to develop my skills and knowledge to achieve my goals as a website designer. My journey started with knowing the basics of HTML and CSS, and now I'm eager to expand my skills to include backend development and beyond. With a positive approach to learning and a desire to succeed in my job, I am ready to contribute to exceptional projects and take on new challenges in web development.
